

Cassettes provide Quick installation of MTP/MPO Fiber Optic Networks.

Cassettes break-out 12-Fiber MTP/MPO cable inputs into standard SC or LC connectors.

- Model 6012, Catalog No. 306012,
Two 12-Fiber MTP/MPO male inputs
break-out to **24 LC male outputs**.
(24 Simplex or 12 Duplex)
- Model 6006, Catalog No. 306006,
One 12-Fiber MTP/MPO male input
will break-out to **12 SC male outputs**.
(12 Simplex or 6 Duplex)

Model 6012 Two 12-Fiber MTP/MPO male inputs break-out to 24 LC male outputs.
(24 Simplex or 12 Duplex)

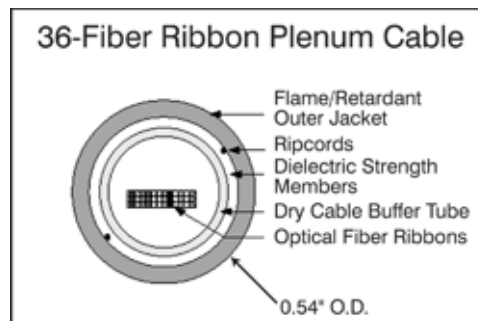

Model 6006 One 12-Fiber MTP/MPO male input break-out to 12 SC male outputs.
(12 Simplex or 6 Duplex)

24 and 36-Fiber Ribbon Trunk Cable, Multimode, Plenum, Crush Resistant.

- Used in ESL's MTP/MPO double ended and triple-ended MTP/MPO Pre-Terminated Trunk Cable Assemblies: Cat No. 986233 (double-ended) and Cat No. 986232 (triple-ended).

36-Fiber Crush Resistant cable utilized in trunk cables (three 12-fiber ribbons).

12-Fiber Ribbon Interconnect Cable, Multimode, Plenum.

- Used in ESL's MTP/MPO Pre-Terminated Patch Cable Assemblies: Cat No. 986244 (F/F), Cat No. 986245 (M/M), and Cat No. 986413 (M/F).
