

LineSelect® Model 8407 PS/2 Keyboard, VGA Monitor & PS/2 Mouse A/B Switch

- **Ruggedized configuration includes mounting brackets and MIL Knob.**
- **Ideal for Commerical-Off-The-Shelf (COTS) purchase applications.**
- **Field-proven, high reliability!**

INTRODUCTION

The **LineSelect®** Model 8407 PS/2 Keyboard, Monitor and Mouse A/B Switch is designed to allow access from one PS/2 computer to two locations having a keyboard, monitor, and mouse. Alternately, the **LineSelect®** Model 8407 can also be used where two PS/2 computers need to be shared among one keyboard, monitor, and mouse location. A front panel selector allows quick and easy switching of the shared device.
